WHO WE ARE

Quality supply. One standard of service.

Established in 2023, MOA L.L.C. provides general supplies, petroleum services, shipbuilding supply, construction materials and technical services — integrated solutions delivered from Cairo, Egypt. The company is led by a top-tier management team with a long, proven track record in industrial supply, energy and marine projects — bringing the experience, discipline and reliability that every project demands.

2023	MOA L.L.C. established
80M+	EGP in total turnover
5	Service lines under one roof
28	Global brands supplied

OUR VISION

To be the first-choice supply partner trusted by Egypt's leading companies.

OUR MISSION

To deliver quality products and finishing works on time, with transparent pricing and dependable service.

Why choose MOA

Legally registered & tax compliant

Fully documented and ready for corporate and government work. Company documents and certificates are available upon request.

Wide supplier network

Direct access to manufacturers and suppliers across many categories.

Committed to deadlines & quality

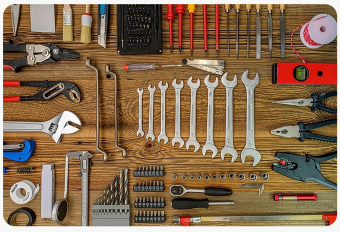

On-time delivery without compromising on standards.

Competitive pricing, flexible service

Solutions shaped around each client's budget and schedule.

SERVICES AND PRODUCTS

Five service lines under one roof

General Supplies

Hydraulic hoses, valves, scaffolding, machinery, safety equipment, PPE, firefighting systems, oils, wood, steel, vehicles, generators, electric motors and equipment, pumps and mechanical works.

Petroleum Services

Supplies and support services for leading petroleum and oilfield service companies.

Shipbuilding

Specialized steel plates, marine paints and coatings, plumbing and electrical systems, marine safety equipment and ship maintenance tools.

Real Estate & Construction

Construction materials and complete finishing schemes for residential and commercial projects, delivered to top quality standards.

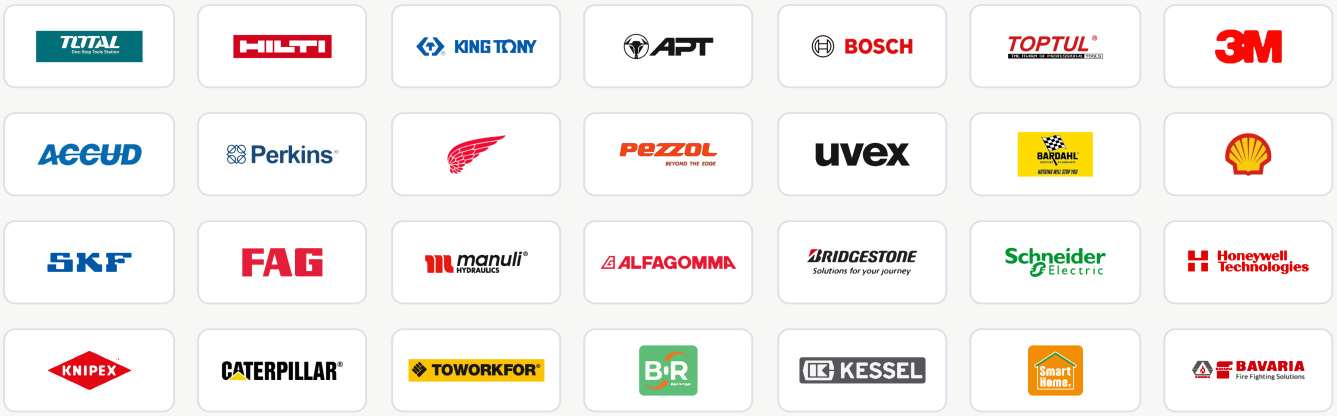

Technical Services

Testing and calibration of hydraulic items, carried out through accredited third-party laboratories in compliance with ISO and EGAC standards.

BRANDS WE SUPPLY

Trusted brands, genuine products

Genuine products from recognized international manufacturers. We can also supply other brands on request.

All brand names and logos are the property of their respective owners. They are used only to identify the products we supply and do not imply any affiliation, sponsorship or authorized-distributor status.

How to order

01

Send your RFQ

Use the quotation form on our website, WhatsApp, or call us. Attach your item list, PR number and delivery location.

02

Receive our quotation

We reply within 24 working hours with a clear, itemized price offer including taxes, delivery time and terms.

03

Confirm your order

Send your purchase order. We confirm quantities, specifications and the delivery schedule.

04

Delivery & documents

Delivery time depends on the type of items and is confirmed in the quotation. Goods arrive with invoice and delivery documents, and certificates where applicable.

> Company registration, tax documents and certificates are available upon request.
